

This summer we are excited to have lots of really fun plans for your child. We will have different weekly themes to keep things interesting and we will have a water day every Wednesday and a Fun Friday with either a park day or a bike day. There are things your child will need for each of these special days so please help us by being prepared. Check out what items are needed below.

Please send your child already sun screened each day!

### Water Day

Every Wednesday! Please send your child wearing their swim/water attire under their normal clothing and please send a towel and any dry clothes they may need.

### Park Day

Alternating Friday's! On Park Day Friday's please send your child wearing tennis shoes, they will be walking to the park. Also send them wearing sun screen and with a water bottle. Hats might be a good idea as well.

### Bike Day

Alternating Friday's! On Bike Day Friday's please send your child with a bike, scooter or skate board, wearing tennis shoes and wearing sun screen. A water bottle and a hat might be a good as they will be outside a lot.
